

Phil^a Aug 14th

Dear Mr Chapman:

Yours of the 10th
was duly received. I sent
your letter to Mr Tying
with the Bell for 1851
to the house of that gentle-
man; but he was out of
town, & will be for some
time. When he returns
I will fulfil your request.

Your proposition to
purchase a portion of the
next Bell with a Phil
adelpson instrument, I will
submit to Sarah Pugh,
May Town & other mem-
bers of the Fair Com^{ee}. I

trust that some arrange-
ment may be made
between you & them
that will be mutually
satisfactory, and profit-
able to the Common
Cause.

The publication
is an annual of
that kind is a capi-
tal expedient, and
one which I should
think you - Boston
folks - wd find very
useful in despatching
- But it is too

but to multiply
words. This the hottest
day we have had this
year.

Yours most
sincerely

J. M. Kim

It is a great pleasure
to hear from you. The weather
is very warm here now.
Love.
